SPECIAL NOTICE TO BIDDERS

Reminder Note: “A” general engineering contractors and “B” general building contractors are reminded that due to the Hawai‘i Supreme Court’s January 28, 2002 decision in Okada Trucking Co., Ltd. v. Board of Water Supply, et al., 97 Haw. 450 (2002), they are prohibited from undertaking any work, solely or as part of a larger project, which would require the general contractor to act as a specialty contractor in any area where the general contractor has no license. Although the “A” and “B” contractor may still bid on and act as the “prime” contractor on a “A” or “B” project (See, HRS § 444-7 for the definitions of an “A” and “B” project.), respectively, the “A” and “B” contractor may only perform work in the areas in which they have the appropriate contractor’s license (An “A” or “B” contractor obtains “C” specialty contractor’s licenses either on its own, or automatically under HAR § 16-77-32.). The remaining work must be performed by appropriately licensed entities.

Bidders must possess a valid State of Hawai‘i, General Engineering Contractor’s License “A”.

Concrete reinforcing steel will be considered incidental. No other specialty licenses will be required unless noted otherwise in an addendum. Anyone who disagrees with this determination shall submit written comments at least 10 calendar days prior to bid opening.
