The evaluation criteria used to evaluate firms whose proposals are received by the deadline above are included in the *Guidelines for Preparing Consultant Proposals for Highways Division Projects*

The HDOT, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the U.S. Department of Transportation [Title 49, Code of Federal Regulations (CFR) Part 21] issued pursuant to such Act, hereby notifies all proposers that it will affirmatively ensure that the contract entered into pursuant to this advertisement will be awarded without discrimination on the grounds of race, color, national origin, or sex.

3D Technology. The HDOT encourages the use of 3D technology software solutions, such as AutoCAD and Microstation. Use of such technology will require adequate and acceptable conversion capabilities to current HDOT software. HDOT encourages the use of 3D technology for purposes such as streamlining transportation projects by improving communication with the HDOT and stakeholders, and reducing overall project timeline and cost.

Campaign contributions by State and County Contractors. Contractors are hereby notified of the applicability of Section 11-355.5, HRS, which states that campaign contributions are prohibited from specified State or county government contractors during the term of the contract if the contractors are paid with funds appropriated by a legislative body. For more information, contact the Campaign Spending Commission at (808) 586-0285.

The Director of Transportation reserves the right to cancel this request for proposals, to reject any or all proposals in whole or part, and to waive any defects in said proposal in the best interest of the State.

If you have any questions, please contact Brian Tyau, Highways Division, Planning Branch at (808) 587-6390 or email [brian.tyau@hawaii.gov](mailto:brian.tyau@hawaii.gov).
