

Please provide a general map of the facility that clearly specifies the following:

- Mark "E" on the map where the facility has existing phones
- Mark "N" on the map where the facility would like the new additional phones installed
- Mark "R" on the map to show where the facility's telephone room is currently located
- Mark "T" on the map where the facility would like the TDD system (if more than one, indicated the locations on the map)
- Mark "W" on the map where the facility would like the workstation(s) for the inmate telephone systems (monitor their phones)

NOTE:

MODULE 12 (Loc 855) was actual location of the Food Service Unit.
 MODULE 16 (Loc 875) used to be Roommate Shop - made as extension of FSU.
 CHIEF FROM SERVICE UNIT 7100 5011 should have been in MODULE 12
