

REQUEST FOR INFORMATION ("RFI")  
RFI DOH-DOCD-17-01  
DEPARTMENT OF HEALTH  
DISEASE OUTBREAK CONTROL DIVISION  
IMMUNIZATION BRANCH

Purpose of this RFI:

- To obtain community input in preparation for developing an RFP.
- Other: To obtain interested parties input in preparation for developing a Request for Proposal ("RFP").

The Department of Health, Disease Outbreak Control Division, Immunization Branch ("DOCD") is requesting interested parties to provide information and feedback that will assist the DOCD as it develops a RFP for the implementation of the statewide school-located influenza vaccination program Protect Hawaii's Keiki: Stop Flu at School program which services shall include coordinating statewide site visits for consent form review (i.e., prescreening), providing nursing personnel to staff immunization clinics, and providing additional medical and clerical personnel to support administrative and logistical functions.

We appreciate your electronic comments or questions by 3:30 p.m. Monday, August 22, 2016.

Written comments may be submitted to: [steven.osa@doh.hawaii.gov](mailto:steven.osa@doh.hawaii.gov)

Participation in this RFI is optional and not required in order to respond to any subsequent procurement the purchasing agency may take. Neither the state purchasing agency nor the interested party responding has any obligation under the RFI.
