

Addendum No. 1

Department of Business, Economic Development and Tourism
Hawaii State Energy Office

HAWAII STATE ENERGY OFFICE SPONSORSHIP

Solicitation No. RFP-17-019-SID

July 13, 2016

This Addendum No. 1 includes changes, omissions and clarifications to Solicitation No. RFP-17-019-SID, as amended (hereinafter referred to as the "Solicitation"). All other terms, provisions, and conditions of the solicitation published on June 30, 2016, shall remain in full force and effect.

The following question(s) have been received regarding the Solicitation. The answers are provided below for clarification purposes:

- 1. Q. Does the event have to be open to the public, or could it be a smaller, more technical workshop with specific invitees from Hawaii, mainland, and the Asia Pacific?**

A: Hawaii State Energy Office sponsored events should be open to the public to generate awareness of the state's clean energy goals to the greater public. Section 2.3 HSEO Sponsorship Priorities has been revised as follows:

2.3 HSEO SPONSORSHIP PRIORITIES

HSEO is seeking applications for public events which assist in the efforts to raise awareness and garner support of Hawaii's clean energy goals. The type of events that may be sponsored may include, but are not limited to the following:

- Clean energy conferences/summits
- Clean energy workshops
- Clean energy seminars
- Clean energy educational events
- Clean energy trade fairs
- Clean energy workforce development events
